Dear Friends,

I am pleased to announce I am hosting yet another Job Seekers Boot Camp. Whether you are unemployed, underemployed, or seeking a career change, please join me at this important event!

This one-day workshop is designed to give job seekers the tools they need to land a good job. Some of our area's most knowledgeable career counselors, business leaders, HR managers, and career coaches will be on hand to provide practical advice on resume improvement, interviewing, networking, and job seeking.

This Boot Camp will not only refine skills and reignite enthusiasm, but will put job seekers in touch with key job resources. In addition, I will be there to give an update on what the U.S. Congress is doing to create more jobs.

Please help me spread the word by telling your friends and family about this important event. I look forward to seeing you on October 31st!

Mike McIntyre
